Welcome back to Cloud Town, high up in the sky! This is Episode 36. Maya needs three jobs done. Cups. Then mixing. Then pouring. She claps. Everyone starts at once. Oh no! Lulu pours before the cups are there. What a mess. Here comes the staircase. Sammy steps on the first step. It lights up. He sets out the cups. Now the second step lights. Eddie mixes. Now the third step lights. Lulu pours. The flag pops up. One step at a time. Each step waits for the one before. Now you know Step Functions! See you next time in Cloud Town, high up in the sky!
