Welcome back to Cloud Town, high up in the sky! This is Episode 35. A big pile of parcels lands in the street. Round ones. Square ones. Triangle ones. All mixed up. Maya carries them one at a time. Oh no! She gives a square to Sammy. Wrong friend. Here comes the sorting table. Maya dumps the whole pile on top. The lever flips. Round goes down the round chute to Sammy. Square goes down the square chute to Eddie. Triangle goes down the triangle chute to Lulu. Right thing, right friend. Now you know EventBridge! See you next time in Cloud Town, high up in the sky!
