

Cloud Town — Episode 90

The singing bell

Amazon Polly. It turns the cards into a real speaking voice.

Oh no! The little orbs want a bedtime story, and Maya is too tired to read out loud! Welcome back to Cloud Town, high up in the sky! This is Episode 90. Meet the singing bell. Slide a card under it, and the bell reads it out loud in a warm voice. Want a different voice? Slide another card. Soft and low. Bright and high. Tap once, and it reads slower. Tap twice, faster. Stack up a hundred cards, and it reads them all without ever getting tired. That is Amazon Polly. It turns written words into a real speaking voice. Now you know the singing bell! See you next time in Cloud Town, high up in the sky!
