Voice-over

Oh no! A giant crowd! One stand is not enough! Welcome back to Cloud Town, high up in the sky! This is Episode 59. Meet the copy stands. The line gets long. Pop! A copy stand. Pop, pop! Two more. Now every friend gets a cup fast. Evening comes. The friends go home. The copy stands sink away. No empty stands. There is always one stand. And never more than the square can fit. Uh-oh, one copy stand is wobbly. It sinks, and a fresh one pops up. More friends, more stands. Fewer friends, fewer stands. That is the copy stands. Now you know Auto Scaling! See you next time in Cloud Town, high up in the sky!
