### Voice-over (copy this)

Welcome back to Cloud Town, high up in the sky! This is Episode 41. Sammy is locked. A toy is gone. Oh no! Maya tugs. Nothing. Then a lantern blinks. Something is wrong right now. Stones light up behind him. They remember who opened the lid. A frame holds the right clasp. Sammy's clasp does not match. A glass follows one path. The toy is under the bench. Maya picks it up. Click! The clasp is straight. The lantern glows calm. Watch right now. Remember who did it. Check the match. Follow one path. That is the watchtower. Now you know CloudWatch, CloudTrail, Config, and X-Ray! See you next time in Cloud Town, high up in the sky!
