Voice-over

Oh no! Houses everywhere, floating apart! Who belongs where? Welcome back to Cloud Town, high up in the sky! This is Episode 65. Meet the family rope. It loops around every house. Pull! One town, all together. Little loops make neighborhoods. Blue roofs here. Green roofs there. Maya ties a red ribbon on the blue loop. Click, click, click! Every blue back door locks at once. One rule for the whole neighborhood. And one piggy bank pays for every house. A new house floats in. Loop! It joins the blue ones, and its door locks too. That is the family rope. Now you know AWS Organizations! See you next time in Cloud Town, high up in the sky!
