Welcome back to Cloud Town, high up in the sky! Maya has many tiny jobs. Wrap this. Carry that. Tap this. One Eddie cannot hold them all. Into Boxy they go! One box. Many little Eddies pop out and run every job. That is ECS. A toy box that runs many Eddies. Oh no! One little Eddie inside stops. That one job goes dark. Maya's toy freezes. Boxy sees it. Pop! A new little Eddie jumps in. The job lights up again. The box keeps the jobs running. Now you know Boxy! See you next time in Cloud Town, high up in the sky!
