

Cloud Town — Episode 70

The button board

AWS Console. Look and press. Start here when you are new.

Oh no! One stand needs help, and Maya cannot see which one! The town is so big! Welcome back to Cloud Town, high up in the sky! This is Episode 70. Meet the button board. The board shows every stand in a little picture. Green means happy. Red means help. Maya taps the red one. Aha! No lemons! One button. Click! A basket slides in. The light turns green. Maya can see everything from one board. Cups, lemons, how long each stand has been open. No whispering, no magic words. Just look and press. That is the AWS Console. A screen with pictures and buttons for every helper. When you are new, you start here. Now you know the button board! See you next time in Cloud Town, high up in the sky!
