Welcome back to Cloud Town, high up in the sky! Maya's friends want to visit. They live far away. Each one picks a different road. One road is bumpy. One bridge is closed. One road is long. They arrive late. And tired. Boost is one front door. A glowing doorway at the edge of the sky. Every visitor goes to Boost first. Boost sends each one down the fastest road. Zip keeps copies near you. Boost gives you one door, and the fastest road. They all arrive fast. Maya waves. Now you know Boost! See you next time in Cloud Town, high up in the sky!
