Welcome back to Cloud Town, high up in the sky! Maya wants a lemonade stand for visitors. Oh no! A visitor is scared. Is this a fake stand? A crowd shouts all at once. Building the stand by hand takes forever. Seal is the lock on the door. She glows. This is really Maya's house. The visitor relaxes. Winn is the ticket window. She hands tickets in order. Too many? She holds up a hand. Wait. Poppy is the booth kit. One pop! The whole stand is ready. Happy visitors in a tidy line. Maya waves. Now you know the name tag on the door! See you next time in Cloud Town, high up in the sky!
