

Cloud Town — Episode 80

The shelf-tower

Amazon Redshift. A giant warehouse, built to answer big questions fast.

Oh no! Maya has too many cards for her little shelf, and it is about to burst! Welcome back to Cloud Town, high up in the sky! This is Episode 80. Meet the shelf-tower. It is tall, very tall, with hundreds of tiny drawers. Every card goes in its own drawer, cups with cups, lemons with lemons. Ask a big question: cups sold at night? Hundreds of drawers open at once. The answer stacks up in a second. Millions of cards, one quick answer. The little shelf is for a few cards. The tower is for a whole town of cards. That is Amazon Redshift. A giant warehouse for your data, built to answer big questions fast. Now you know the shelf-tower! See you next time in Cloud Town, high up in the sky!
