Voice-over (copy this)

Welcome back to Cloud Town, high up in the sky! Eddie, Sammy, and Lulu want to visit Maya. Oh no! Two houses look the same color. They knock on the wrong door. Mapi is the town map. She gives each house a name. A star. A moon. Not the color. The name! She points by name. This way to Maya. Oh no! Maya's house is closed. Mapi points to the open twin. That is failover. All three friends at the right door. Maya waves. Now you know Mapi! See you next time in Cloud Town, high up in the sky!
