Welcome back to Cloud Town, high up in the sky! This is Episode 31. Maya wants her lemonade stand today. She hammers one board. Then another. It takes forever. The door is not joined to the window. Nothing works yet. Oh no! Here comes the booth kit. One pop! The street, the door, and the window unfold together. Already joined. Already ready. Maya draws a new picture. The kit sends it to every stand in town. No hammering. No waiting. Build the front once, and it pops up for everyone. Now you know Amplify! See you next time in Cloud Town, high up in the sky!
