Welcome back to Cloud Town, high up in the sky! This is Episode 40. Lulu is visiting today. She wants to put a box inside Sammy. But Sammy is locked. Oh no! Maya could give Lulu a name tag. But a name tag lasts forever. Lulu is only here until sunset. So Maya gives her a sunset pass instead. She sticks it on. Click! Sammy opens. Lulu drops her box inside. The sun goes down. The pass peels off by itself. It floats away. Sammy locks again. Nobody had to take it back. The badge is who you become. The pass is how long it lasts. That is the sunset pass. Now you know STS! See you next time in Cloud Town, high up in the sky!
