Voice-over

Welcome back to Cloud Town, high up in the sky!
This is Episode 41.
Lulu has a shiny badge today.
She zips up to the blue door.
It stays shut.
Oh no!
Maya looks closer.
Every door has a list.
Green means may. Red means may not.
The blue door says may not.
The badge does not matter.
Lulu zips to the yellow door.
Green! It swings open.
The green door has a green line and a red line.
Which one wins?
Red. May-not always wins.
The door stays shut.
Lulu shrugs and zips back through the yellow door.
Right doors open. Wrong doors stay shut.
That is the door list.
Now you know IAM policies!
See you next time in Cloud Town, high up in the sky!

Picture

The glowing orb, badge on a coral cord, zips to a shut blue door.
It bumps the door. The door stays shut. A worried wobble.
The girl points at one red cross on the blue door's board.
The camera pushes in. Green means may. Red means may not.
The yellow door shows one green tick and swings open.
The green door shows a green tick and a red cross. The orb hesitates.
The red cross glows. The door stays shut. A small nope, not sad.
The orb zips back through the open yellow door. The girl nods.
Sunset. Yellow open. Blue and green shut. Orb in the doorway. Girl beside it.

Lesson: a deny rule wins. That is an IAM policy.
