Voice-over

Oh no! A brand new neighborhood, and every gate is wide open! Welcome back to Cloud Town, high up in the sky! This is Episode 66. Meet the lighthouse. Its beam sweeps the new land. Fences! Lamps! Back doors lock. Safe from day one. The muddy blob bonks the fence. Nope! Need another neighborhood? Shine! The same safe setup, every single time. The lighthouse keeps watching. Green, green, green... red! One gate is open. Maya runs and closes it. Green again. Set up safe. Stay safe. That is the lighthouse. Now you know AWS Control Tower! See you next time in Cloud Town, high up in the sky!
