

Cloud Town — Episode 76

The snow-box

AWS Snow Family. Big tough boxes that carry huge piles by truck.

Oh no! A mountain of lemons, and the bucket-chain lifts one lemon at a time! That would take all year! Welcome back to Cloud Town, high up in the sky! This is Episode 76. Meet the snow-box. It is big, padded, and very tough. Maya fills it with the whole mountain. Click, the lid shuts. A truck drives it up the ramp to the cloud. Up top, the lid opens, and the whole mountain lands at once. When the pile is too big for the rope, you ship the box. That is the AWS Snow Family. Big tough boxes that carry huge piles of data to the cloud by truck. Now you know the snow-box! See you next time in Cloud Town, high up in the sky!
