

Cloud Town — Episode 77

The mail-chute

AWS Transfer Family. Friends send files the old way, and they land in the cloud.

Oh no! Maya moved to the cloud, but her friends still send letters to the old mailbox on the ground! Welcome back to Cloud Town, high up in the sky! This is Episode 77. Meet the mail-chute. Its pipe reaches down from the cloud, and its flap sits right where the old mailbox was. Same flap, same way. Friends drop a letter in, just like always. Whoosh! It lands in the cloud cubby. Nobody has to learn anything new. That is the AWS Transfer Family. Friends send files the old way, and they land in the cloud. Now you know the mail-chute! See you next time in Cloud Town, high up in the sky!
