

Cloud Town — Episode 92

The swap-bridge

Amazon Translate. Words cross the bridge and come out in the other language.

Oh no! Maya is talking, but the little green orb does not understand one word! Welcome back to Cloud Town, high up in the sky! This is Episode 92. Meet the swap-bridge. Maya says something. It crosses the bridge, and comes out in the orb's language. The orb answers. It crosses back, and comes out in Maya's language. Back and forth, faster and faster. Now they can chat all day. A whole sentence? It crosses in order, every word. That is Amazon Translate. It turns words from one language into another, fast. Now you know the swap-bridge! See you next time in Cloud Town, high up in the sky!
