Voice-over

Welcome back to Cloud Town, high up in the sky! This is Episode 57. Maya's line is slow. Every cup takes forever. But why? Oh no! Here comes the glow string. It ties onto a lemon. And follows it. Into the squeezer. Orange! Thick! Squeak, squeak. Slow here! Into the pitcher. Yellow. Fast. Into the cup. Yellow. Fast. To the friend. Yellow. Fast. Only one slow spot. The squeezer! Maya gets a big new one. Whoosh! Now the string is yellow everywhere. The line moves fast. Follow the path. Find the slow spot. Fix it. That is the glow string. Now you know X-Ray! See you next time in Cloud Town, high up in the sky!
