

Cloud Town — Episode 79

The reading lamp

Amazon Athena. Ask the files where they sit. Pay only for the question.

Oh no! Maya wants to know how many cups she sold on sunny days, and the cards are one big mess! Welcome back to Cloud Town, high up in the sky! This is Episode 79. Meet the reading lamp. Maya asks one question: sunny days? The lamp shines on the pile. Every sunny card glows and floats up. Count them. Done. The pile never moved. No sorting, no new shelf, no copying. Ask, shine, answer. Another pile? Shine there too. That is Amazon Athena. It asks questions straight to your files where they sit, and you pay only for the question. Now you know the reading lamp! See you next time in Cloud Town, high up in the sky!
