Welcome back to Cloud Town, high up in the sky! This is Episode 37. Maya draws a sun. She wants everyone to see it. She runs to Sammy. Then to Eddie. Then to Lulu. Oh no! She changes her mind and draws a star. Now she has to run all over again. Here comes the drawing board. Every friend gets a little board of their own. Maya draws a heart on the big one. Pop! The same heart shows up on all three. She draws a star. Every board changes at once. Nobody runs. Draw it once, everyone sees it right now. That is the drawing board. Now you know AppSync! See you next time in Cloud Town, high up in the sky!
